Class Descriptions

Additional Cost for: **Small Group Training (SGT)**

Cardio Boxing (SGT): a 30 minute high-intensity interval training (HIIT) workout designed to improve strength and build lean muscle through cardio, strength, plyo, and tabata.

Beyond Barre: is the unique body transforming ballet **Barre** workout that combines:

- Body Sculpting
- Fat Burning
- Muscle Lengthening
- **GlideBoard** for Cardio Fun with Incredible Results
- **Barre** to Sculpt the Thighs and Lift the Seat
- Weights to Tone the Arms
- Ab Work to Narrow the Waist

BODYPUMP™: Using light to moderate weights with lots of repetition, BODYPUMP™ gives you a total body workout. It will burn up to 590 calories*. Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than you could on your own! You'll leave the class feeling challenged and motivated, ready to come back for more.

Circuit Training: Burns major calories with intervals of HIIT cardio and body weight conditioning. Utilizes the 3-2-1 interval approach: 3 minutes of strength, 2 minutes of cardio, and 1 minute of rest.

Spin Class: Spinning is an excellent workout to strengthen your heart and tone your legs.

Yoga: Yoga is a great way to work on your flexibility, strength, posture; breathing, stress levels, and is great for the heart!

Step : Using some great music, step is a choreographed routine of stepping up and down on a rectangular, square, or circular platform. Great for getting your heart and lungs in shape and toning your glutes! Step aerobics is a terrific cross-training activity for runners, cyclists, and walkers.

Kickboxing: Using a boxing bag, kickboxing is one of the best body-shaping fitness classes available. Benefits include fat loss, muscle toning, increased flexibility, better circulation, and most of all stress relief.

Boomers: Provides a variety of exercises designed to increase muscular strength, flexibility, balance, range of movement and skills required during activities for daily living, healthy living, relaxation, and stress relief.
